Mine Changes Hands.
The mine of the Amos Coal Co. near here on the Monongahela railroad has been purchased by a coal company represented by Mr. Beer-bower formerly superintendent of Jamison mines No. 7 to 11 inclusive. At the present the mine will go ahead under the same foreman and employees. Later there are plans that include expansion and electrification of the mine both for mining and haulage and probably also the opening and working of the Swickley seam of coal on the same lands.
